HEAD OF MATHS

- Teachers Pay Scale MPS/UPS plus TLR Allowance 1A
- Permanent, Full-Time 1.0FTE required from September 2026
- Requirement to teach KS3/4, with ability to teach at A Level an advantage

Do you possess the determination and ambition to lead a flourishing department which consistently achieves great results in Maths, and have the ability to take it to the next level?

We are looking for a dynamic and inspirational Head of Maths to lead the provision and strategic development of Maths at Sexey's School. As the subject lead, this is an opportunity for an enthusiastic leader to further develop and manage the delivery of the Maths curriculum. You will be an outstanding teacher with a tireless commitment to challenging and inspiring students to maximise their achievement. You will have a strong vision of how you wish to bring about further improvements across the curriculum area and contribute to whole school improvement.

In addition, you will have a clear commitment to your own professional development and that of the department in promoting outstanding teaching and learning. You should be well qualified and keen to be involved in the wider life of our successful school. Candidates with the ability to teach A Level would be an advantage.

We are a caring community and were proud to be named by the Sunday Times as the 'happiest school in Somerset' in 2025 (Ofsted date 2020-2025).

Our students are a delight to teach: they are articulate, hardworking, well-motivated and display our 7 core values in the way that they treat each other. We pride ourselves on our positive staff/student relationships. Sexey's School has a strong team of staff who are caring, supportive and working with a 'determination to be exceptional in all that we do'.

If you have a determination to be exceptional in all that you do and have an unrelenting commitment to making a difference to young people's lives we would love to hear from you!

Initial discussions with or visits to Sexey's School are welcomed and encouraged.
