Are you an enthusiastic and reliable individual who would like to support the lives and education of young children?

We are seeking to appoint a friendly and energetic individual to join our dedicated team in ensuring the smooth serving of lunches and to supervise the children's play, both with indoor and outdoor activities, during the lunchtime break.

This is a fantastic opportunity to work within a nurturing and inclusive environment with delightful, enthusiastic children and a supportive community.

Ideal candidates will have a positive "can-do" attitude whilst being able to maintain a calm atmosphere and encouraging positive behaviour. You will help create a welcoming environment supporting the children to achieve good conduct and table manners and assist with setting up, cleaning and clearing away as required. You will preferably possess a Food Hygiene certificate, however, training can be provided.

Applicants seeking further hours may wish to consider also applying for the role of Cleaner currently being advertised. Please state on your application if you wish to be considered for both roles.

If you have a passion for supporting young people and would like to work with a happy and friendly team, and you think you possess the qualities we are looking for, we would very much like to hear from you.

Visits to the school are warmly welcomed and encouraged.
